

## Vendor FAQs

1. Name of the Clinic

The official name of the clinic is the Track & Field Coaches Clinic of Texas

2. How long does the clinic last?

Traditionally, registration opens at 9:00 a.m. Friday, the first speaker begins at noon, and the last speaker ends Saturday between 4:00 and 5:00 p.m.

3. Cost for a table

The cost for a table is \$400.

4. PayPal

On the Clinic page of the TTFC website, I will place a PayPal option for those who would like to pay via credit card. This option is only available for the table cost; we cannot accept monies for the hotel.

5. Table size

Each table is a standard 8' table, of which you are welcome to adorn with myriad advertising in and around your area, including but not limited to clothing racks, table covers, a TV stand, etc. As long as you're not impeding another vendor's access to clinic attendees, you should be okay.

6. Electricity

Electrical outlets are accessible from every table location. Please bring extension cords and any other needed items as we do not provide electrical supplies.

7. Are all tables within easy access to attendees?

Yes, the configuration of the Great Wolf Lodge allows easy access for all attendees to visit every vendor with ease.

8. Vendor Card

A recent tradition that will continue is the use of a Vendor Card. Each attendee receives a card listing all Vendors alphabetically. Next to each company name is a place for the representative to sign. Attendees are encouraged to visit each company and to fill his or her card with signatures. At the end of the clinic, a drawing is held for those who have visited and had their cards completely signed. The Vendor Card has increased foot traffic to each table dramatically since its inception a few years ago.

9. Storage on Thursday night

Should it be necessary, we can store boxes Thursday evening. As well, you are free to ship boxes to the hotel for holding upon your arrival.

10. Storage during clinic

On Friday evening, you can either move boxes into one of several rooms available for storage or place less important, bulky items underneath your table. Keep in mind that the TFCCT is not responsible for your product, but we will help you securely store it.

11. Speak Between Presentations

Traditionally, there's a 15-minute break between the end of one presentation and the beginning of the next. This break allows time for attendees to visit vendors, mingle, etc. One change we'd like to implement is providing each company representative a minute at the end of presentations to talk to the attendees prior to their break. This provides each representative a moment to showcase his / her company. I'll provide a schedule as the date gets closer so you know when you have this opportunity.

12. Hotel number to reserve rooms

Great Wolf Lodge: 1-844-554-9653 and use Reservation Code: 1901TFCCA

13. Hotel address

100 Great Wolf Drive / Grapevine, TX 76051  
<https://www.greatwolf.com/grapevine/customer-service>

14. Website placement throughout the year, etc.

Vendors are Partners; in other words, after the clinic, we will continue marketing your company's products on the TTFCFA website by placing your company's logo as a live link on several pages.

15. Contacting TTFCFA membership

In addition to live logo links on the website, we will fax and / or email membership with any specials you'd like to promote. This is at no additional cost to you. We want to build long-lasting business relationships; however we can put your name and product in front of the track & field coaches in the state of Texas, we are happy to help.

16. Airports

DFW and Love Field both serve the Great Wolf Lodge in Grapevine, although DFW is the closer. Directions: <https://www.greatwolf.com/grapevine/customer-service>
